
Adding yourself to the Member Directory

Posted by Admin - 2007/07/21 08:40

Here's what you do:

1. In the left column you'll see a box titled "Member Login". In the bottom of that box, click on "Register" Fill out the registration form with your information and click "Send Registration". If you have already registered on the site, skip to step 4.
 2. An e-mail will be sent to you with a link to verify your e-mail address. Click this link to complete your registration.
 3. In the Member Login box, enter your username and password and click "Login". Another box will appear above the Member Login titled "My WCR". This is your user menu which has links for performing different tasks on the site. After you add yourself to the directory (explained below) you can go to "My Profile" and add a picture. This will appear in the Member Login box when you login and the Community Forum, among other places.
 4. Add yourself to the directory by clicking on the "Directory" tab at the top of the site. Click on "Add Entry" above the Local Chapters. Fill out the information in the fields and write a short bio in the "About Me" area. You can add a picture by clicking on "Browse" and finding the picture located on your computer. The last step is to add the chapter that you belong to. Simply click on the chapter name and add it to the box on the right by clicking on the arrows. Click send and review your listing.
- Only WCR Members are allowed to add themselves to the Directory. All other entries will be removed.

Please report any abuse of the system here: http://www.wcr-tn.com/component/options/com_contact/task/view/contact_id,1/Itemid,72/
