
Our Fresh, New Website!

Posted by Admin - 2007/07/24 17:57

Quoted from Linda Vaughn's (Sumner) directory listing:

"Preston,

The site is very pretty and feminine, most appropriate for the Southern Women of Tennessee and our Women's Council. It is extremely easy to navigate, very user friendly and full of extremely helpful and well organized information.

Your creativity, professional courtesy and attention to detail has exceeded our expectations.

Thank you"

Thank you Linda :)
